CHS Intellectual Property Requested

1. Please specify the CHS intellectual property you wish to access/copy/ modify/reproduce:

a) For requests for multiple raster and vector charts you may wish to attach a completed order form, available at www.charts.gc.ca (follow the "Copyright and Licensing" link on the main page then click on one of the "Licensing Options" –*Order From for CHS digital charts*). Attached

b) For all other requests please list the relevant identifiers for field sheets, tidal data or products, etc. If you require other data, you must specify the corner coordinates for the area of coverage in which you are interested, as well as resolution and data format.

To assist you in itemizing the products you require, please refer to www.charts.gc.ca where you will find on-line catalogues and product listings. Please be as precise as possible to help us process your request as quickly as possible.

I would like to licence the following products:

Updating service required (if applicable)

2. Please state clearly the nature of your business and intended use of the CHS intellectual property. Describe any intended creation of products to be sold commercially or non-commercially, products which will not be sold, and/or published papers, web sites, research activities or other forms of distribution. Please include product edition numbers, if applicable.

Intended Use:

Attached

3. If you are creating a product to be sold commercially, what is your Estimated Price for each of your product(s) derived from or including CHS intellectual property? For multiple products please attach a list

| Name/Type of Product | Estimated Quantity Intended for Distribution | Estimated Wholesale Price | Estimated Retail Price |
|----------------------|--|---------------------------|------------------------|
| | | | |
| | | | |

4. Please indicate your target sales or distribution forecast for the term of the licence.

5. For Value Added Reseller Products, what percentage of your product will be comprised of CHS intellectual property? Please describe the method(s) used to establish this proportion (e.g.: number of CHS charts included in the product compared to the total number of licensed charts produced by national hydrographic offices in the product).

6. Please include any additional supporting information that you feel will help us to better assess your application.

7. If you are applying for a site licence, please complete this section. Otherwise proceed to signature page.

Number of workstations applied for: _____

Number of workstations overall in organization: _____

| |
|---|
| Number of employees who will be using the CHS IP: _____ Number of employees in the organization: _____ For multiple locations: please attach list with address of each location, and number of workstations at each location. <input type="checkbox"/> Attached |
|---|

| | | | |
|---|-----------------|----------------|--|
| 8. If a sub-contractor or another organization will need access to the data or if an agent will provide services related to the operation of the site licence, please identify: | | | |
| Legal Name of Sub-Contractor /Agent | | | |
| Business Address | | | |
| City, Province/State Country | | Postal Code | |
| Incorporated Under the Laws of | Province/State: | Country: | |
| Date Incorporated (dd-Mmm-yyyy) | | | |
| Telephone: | | Fax: | |
| E-mail | | | |
| Web Site | | | |
| Responsibilities of/Services to be Provided by Sub- Contractor/Agent | | | |

Declaration

I declare that I have the authority to sign this declaration on behalf of the applicant, and I declare that the information that I have supplied is true and accurate to the best of my knowledge, and that any revisions to the information provided above will be immediately provided in writing to the CHS licensing representative.

Signature: _____
